**Perkins Engines Limited**

Peterborough England

1983

---

Publication No. 601 TPD 0983 1149

This publication supersedes the previous edition numbered 601 SER 0880 1149 and incorporates Amendment Page Set No. 1, issued July 1984.

*This publication is written for world wide use. In territories where legal requirements govern engine smoke emission, noise, safety factors etc., then all instructions, data and dimensions given must be applied in such a way that, after servicing (preventive maintenance) or repairing the engine, it does not contravene the local regulations when in use.*
