Publication No. 601 SER 08801143

This publication supersedes the previous  
edition numbered 601 SER 04771143

This publication is written for world wide use. In territories where legal requirements govern engine smoke emission, safety factors etc., then all instructions, data and dimensions given must be applied in such a way that, after servicing (preventive Maintenance) or repairing the engine, it does not contravene the local regulations when in use.
