Publication No. 601TPD07911158

This publication supersedes the previous edition 601SER03851158  
and includes amendment page set 1 issued in March 1991

This publication is written for world wide use. In territories where legal requirements govern engine smoke emission, noise, safety factors etc., then all instructions, data and dimensions given must be applied in such a way that, after servicing (preventive maintenance) or repairing an engine, it does not contravene the local regulations when in use.

Published by the Technical Publications Department of Perkins Power Sales and Service Limited  
and Printed in England by Fisherprint Ltd., Peterborough.
