

workshop manual for 6.247 diesel engines

©

Perkins Engines Limited

Peterborough, England

1980

Publication no. 601SER02B01165

This publication is written for world wide use. In territories where legal requirements govern engine smoke emission, noise safety factors etc., then all instructions, data and dimensions given must be applied in such a way that, after servicing (preventive maintenance) or repairing an engine, it does not contravene the local regulations when in use.
